*For 2002, GRA is offering a special, one-time discounted GRA/IAH joint membership plan available to new members of the International Association of Hydrogeologists (i.e., to persons who have not been a member of IAH for at least two years). GRA/IAH joint members will receive all GRA and IAH member benefits (including the peer-reviewed Hydrogeology Journal published 6 times per year). Joint membership fees are \$250 for a GRA joint business/government membership (includes 3 GRA members, one of whom will also be an IAH member), or \$125 for an individual GRA/IAH joint membership. After the first year of joint membership at the discounted rate, GRA and IAH membership would continue at regular rates. (For info on IAH, go to www.iah.org).

Dues are assessed for each calendar year. One full year of dues is paid upon joining and the prorated amount will be due for the following year.
