

Interested in the latest groundwater issues? Join GRA!

The Groundwater Resources Association of California welcomes student members
Student membership dues are currently just **\$50/year!!**

Take advantage of these student member benefits:

Great Dinner at a Special Rate, Networking, and a Lecture to Boot!

- Network with groundwater professionals at dinner meetings for as little as \$10-\$15
- For groundwater news... if it's happening, they're talking about it at GRA

Publish or Present Your Research

- Submit your research article to GRA's quarterly publication at www.grac.org/hydrovisions/
- Presentation opportunities include the Collegiate Groundwater Colloquium at GRA's Annual Conference and poster/presentation competitions at other events

Funding Opportunities & Reduced Rates for Students

- Pay reduced admission for GRA conferences and symposia
- Free GRA-Cast registration for GRA Student Members
- Student scholarship opportunities are available; enquire at your local Branch

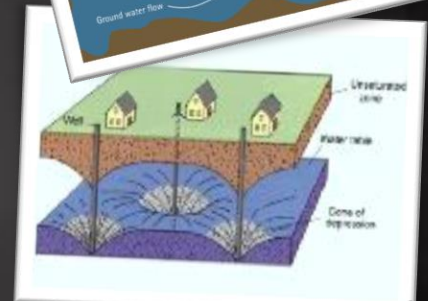

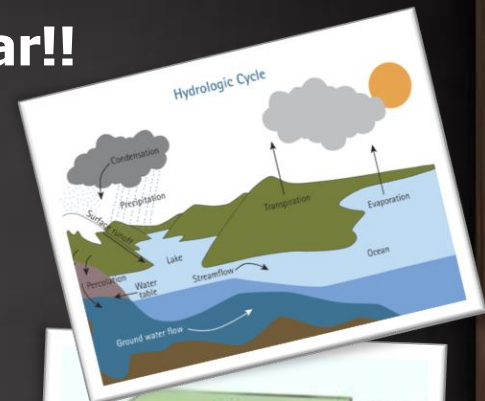

Pre-Career Prep

- GRA looks great on your resume!
- Networking opportunities, hear about jobs, announce your own job search

Make a Difference

- GRA offers organized grassroots advocacy
- Support GRA's mission to protect and improve groundwater supply and quality
